

BFUU Policy-Buildings and Grounds-Donations of Furniture, Goods, etc.

In order to give some semblance of order to our buildings and grounds, all donations of furniture, dishware, office equipment, etc. should be approved by the Building and Grounds committee.

It will also keep the cost of removing donated items under control if we don't allow them to be left in the first place.

Any unauthorized donations may be removed at the discretion of the Buildings and Grounds Committee.

Building and Grounds Committee August 2011, revised July 2019
